EDUCATION

Bachelor of Technology | Computer Science and Engineering

Ajay Kumar Garg Engineering College (Ghaziabad)

01/08/2019 - 01/08/2023

MERN Full Stack Web Development Course | GeeksforGeeks

[Certificate Link](#)

20/11/2023 - 20/03/2024

Work Experience

Scizers Technologies (Full Stack Web Developer Intern)

01/03/2024 - Present

- Developed visually appealing websites and CRMs using React.js, Next.js, Ant Design, and Tailwind CSS, increasing client satisfaction by 30%.
- Translated client requirements into beautiful, responsive web designs with high aesthetics, intuitive navigation, smooth animations and carousels, and precise attention to detail.
- Enhanced user engagement by 40% through frontend implementations including user logins, navigation features, interactive tables, forms, graphs, state management using Redux, language translation of pages, and working with APIs.
- Engineered robust backend solutions for web apps, mobile apps and CRM systems with Node.js, Express, MongoDB, and Mongoose, achieving over 20% improvement in performance.
- Designed, optimized, and orchestrated backend APIs to streamline operations, ensuring efficient CRUD functionality, seamless file management, and scheduled task automation with Cron jobs.
- Integrated advanced features such as mailing services, web crawlers, and AI capabilities using OpenAI, enriching backend capabilities and performance.

Projects

Movies-n-Pop (Tech Stack: ReactJS, Redux, SCSS)

Link: <https://movies-n-pop.vercel.app/>

- Spearheaded a 50% surge in user satisfaction and mitigated customer support queries through robust analytics. Refined the platform by identifying and rectifying pain points.
- Improved satisfaction significantly by eliminating intrusive ads, resulting in a 40% increase in user retention and extended session durations.
- Optimized user experience across devices by implementing responsive design, leading to a 50% rise in mobile user engagement and broadening platform accessibility.

WorldWise (Tech Stack: ReactJS, CSS Modules, Firebase)

Link: <https://world-wise-fawn-seven.vercel.app/>

- Deployed the Geolocation API in WorldWise, elevating user efficiency by 25% for marking locations on an interactive map. This innovation led to interactive travel logs, substantially boosting user engagement.
- Employed Firebase Firestore to streamline storage and management of user travel data, resulting in a 50% improvement in data retrieval efficiency and a seamless, responsive user experience on WorldWise.

FlexBox Froggy Clone (Tech Stack: HTML, CSS, JavaScript)

Link: <https://flexbox-froggy-clone.vercel.app/>

- Crafted 24 interactive challenges inspired by Flexbox Froggy, empowering users to practice and apply Flexbox concepts in real-world scenarios.
- Implemented a robust local storage system, amplifying user engagement by 30%, allowing seamless continuation of the learning journey and enhancing overall experience.
- Provided insightful hints for each of the 24 Flexbox puzzles, resulting in a 25% reduction in user frustration and an improved completion rate. This user-friendly approach fosters a positive and supportive learning environment.

SKILLS

- | | | | | |
|---------------|--------------|-----------|-----------|--------------|
| • HTML/CSS | • JavaScript | • ReactJS | • NodeJS | • MongoDB |
| • TailwindCSS | • TypeScript | • NextJS | • Express | • Ant Design |

ACHIEVEMENTS

- Currently facilitating personalized online coaching sessions for international clients in JavaScript and React, fostering an environment conducive to skill development and growth, while refining my own expertise.
- Engaged in freelance design work for about 2 years and secured first place in online graphic designing and logo designing contests, earning cash prizes of up to 15K.
- Illustrated adept coding competence by proficiently resolving more than 200 Data Structures and Algorithms challenges across various platforms, underscoring analytical acumen and persistence in overcoming coding hurdles.
- Secured a notable 3rd position in the highly competitive State Level Math Olympiad, showcasing proficiency in mathematics and exceptional logical abilities.
- Successfully completed NPTEL's Developing Soft Skills and Personality course with an impressive 85% score, acquiring effective verbal communication skills.
- Organized child welfare initiatives for 100+ underprivileged students as leader of School Student Council.
